We do not forward returned Gazettes. Send your change of address as soon as possible to the GSDCC Inc. Membership Chairperson.

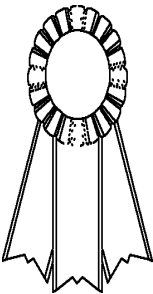

FAX YOUR ADS

Pressed for time? Send your advertisement by fax to 705.426.4429 (by app. only). Follow up by sending your photo and payment by first class post. You can now send your photo via email to shereldean@sympatico.ca.

TELL US WHAT YOU WANT!

Please send only typewritten copy with correct spelling or better yet, email it. Include any pertinent instructions. Limit pedigrees to four generations.

NOTICE TO ALL CLUBS

Some clubs overlook the opportunity the Gazette affords them to publish show and trial/test results and judge's critiques. All class wins/placings submitted by the host club will be published for free of charge. Photographs of class winners will be included for a nominal charge.

Contact the editor for further information.

LATE?

We recommend using a courier for deliveries that will reach us without undue delay. See address Page 1.

Otherwise we recommend first class or special delivery post. If our deadline is pending, please fax all your submissions to us at 705.426.4429 (by app. only) and then follow up by mailing/emailing photographs and payment.

A PICTURE IS WORTH A THOUSAND WORDS

Send photos in protective cardboard. We prefer color photos. Include a self addressed *PREPAID* return envelope. **DO NOT PRE-TRIM** photos but indicate the approximate area you would like printed. Place your name and that of the dog on the back of the photo. Or simply just email a good copy. Quality of scanned picture is as important as the original. ***Please send in Bitmap or at least 2000kb jpg.***
